

## Home Sweet Home.....

Retirement is a good time to take stock and your home should be part of the review.

Why do you choose to live where you are?

Stay put or move?

Points to consider	Notes
Cost of moving / running current property	
Location	
Maintenance	
Amenities	
Social	
Distance to family and friends	
Transport, public and roads	
Health and medical facilities	
Climate	
Security	
Planning for future needs	
And ????
